Subject	Mandatory Password Reset: action required within 24 hours
Attachment	NexusSphere_Password_Reset.html (14 KB)
Authentication	SPF: fail · DKIM: none · DMARC: fail

Message body

Dear colleague,

As part of our annual security upgrade, all Finance and Sales accounts must be re-verified **today**. Accounts not verified within 24 hours will be suspended and may lose access to payroll.

Open the attached file and sign in with your normal NexusSphere username and password to confirm your account.

Thank you for keeping NexusSphere secure.

NexusSphere Technologies

Attachment analysis (IT security)

The HTML file opens a copy of the Microsoft 365 sign-in page. Entered usernames and passwords are sent to `https://mailbox-secure.co/collect.php`, then the page shows a blank screen. No malware was installed.

Who interacted

Staff member	Department	Action	Reported
R. Patel	Finance (Accounts Payable Officer)	Opened attachment, entered credentials	Wed 08:40
S. Okafor	Sales	Opened attachment, entered credentials	Wed 09:05
M. Lewis	Finance	Opened attachment, entered credentials	Wed 09:12
J. Ferreira	Sales	Opened attachment, unsure	Wed 09:30

Note: The company's real domain is **nexussphere.co.uk** (two S). The sender used **nexusphere** (one S). R. Patel confirmed they use the same password for Microsoft 365 and FinPay.
