Service Desk Ticket Export

Exported Wednesday 4 November 2026, 09:10 · Source: ServiceNow · Prepared by Emma Carter, Helpdesk Manager

Summary

Between 08:05 and 09:00, 53 tickets were raised for account lockouts and unexpected password-reset emails. 47 of the 53 users are in Finance or Sales. Self-service reset logs show the first unrequested reset emails were issued the previous night.

Self-service password reset log (system generated)

Time	Account	Event	Source IP
Tue 23:04	s.okafor (Sales)	Reset email issued	185.220.101.34
Tue 23:06	m.lewis (Finance)	Reset email issued	185.220.101.34
